1 May 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 1 May 1967

DD/I informed the Director of arrangements made in the State Department on Sunday concerning U. S. personnel in the Yemen.

Godfrey briefed on the latest developments in the Yemen. The Director noted the importance of diesel fuel oil stocks in both Sana and Taiz to the maintenance of communications.

Godfrey noted two cables from Ambassador Goldberg concerning the possible introduction of SSM's into North Vietnam. The Director felt that we should be careful not to gull ourselves on possible Soviet actions and said that he would rather be overboard on what they might do.

Carver called attention to exaggerated press coverage of action in the I Corps area.

Carver noted that General Loan will be in town this week. The Director asked the DD/P to check this.

Warner said that the House Banking and Currency Committee is interested in the possibility of our testifying in executive session on the [] The Director asked Warner to explain that we have no information beyond the [] report.

Chamberlain for DD/S&T reviewed the satellite reconnaissance schedule []

Chamberlain called attention to an Agency report on Indian atomic weapons developments. DDCI said he had asked ADD/P to concert with ONE and DD/S&T for a follow-up comment from Headquarters on this report.

The Director gave the DD/P Secretary Katzenbach's itinerary for a three-week trip to Africa starting 10 May. (See Action 1)

The Director reported on the 303 Meeting last Friday.

ACTION:

1. The Director asked the DD/P to involve himself personally in the appropriate briefings on Africa for Secretary Katzenbach.
